

Anastasia is a successive multilingual as she first acquired Greek (native language), second language acquisition/learning also started at a young age, as a 3 year old. When it comes to English, she tends to describe herself as being proficient in writing, listening and reading. As far as her third language goes, German, she attended 3 year course on German, unfortunately she dropped it and lost any contact with this language. When talking about her learning strategies, main points made by her were: watching TV series and videos in English, reading books and articles, trying speaking with a friend in English and searching the Internet for websites to discuss with people from all over the world.

As for the features that connect polyglots, mainly they were people of the higher society, even though there were characters such as Cleopatra or Queen Elisabeth I most polyglots are man. Some polyglots were obsessed with languages (e.g. Tolkien)
